SUPPORTING STUDENT SUCCESS

MEMORANDUM

TO: Superintendents and School Nutrition Directors

FROM: Lance V. Rhodes, Chief Financial Officer, Indiana Department of Education
Kent Hatcher, Director of School and Community Nutrition, Indiana Department of Education

DATE: January 8, 2010

SUBJECT: State Match Distribution to the Federal School Food Distribution

The Indiana Department of Education apologizes for any inconvenience the delay in the state match distribution has caused. The Indiana Department of Education has been working with various state agencies during the past several weeks to resolve issues that have caused the delay of the state match distribution to the federal school food distributions. These delays have nothing to do with the Indiana Department of Education's processing payments. Resolution on the issues has been made and distributions will be forthcoming. The Indiana Department of Education continues to work with various state agencies to prevent such delays in the future. Again, the Indiana Department of Education apologizes for any inconvenience.
